

Multi-Church Relational Covenant

Cooperative Parish between Wake Forest UMC & Village Church Rolesville

Preface:

A Cooperative Parish (can also be described as “multi-church”) is when local churches, with the guidance of the Holy Spirit, may enhance their witness to one another and to the world by showing forth the love of Jesus Christ through forms of mutual cooperation. Wake Forest UMC (WFUMC) and Village Church Rolesville (VCR) hereto agree to strategically partner in the following ministries in order to strengthen our missional impact for Christ in our community and world. In all areas of partnership we commit to proportionally share in the *planning, financial resources, staff resources, volunteer resources and prayer* so that we are able to make disciples of Jesus Christ for the transformation of the world.

This is intended to be a “living document” that will be reviewed and updated annually by leadership of both Village Church Rolesville and Wake Forest UMC.

Closing:

All ministries and staff not included in this covenant are church specific ministries and not part of the Cooperative Parish Covenant Agreement. As the Holy Spirit presents new mission and ministry opportunities, we give ourselves permission to partner on a case by case basis with the support of both pastors and leadership.
